working

A screenshot of a web application window titled "Student Login". The window has a standard Windows-style title bar with minimize, maximize, and close buttons. The main content area is white and contains a login form. At the top left of the form is a button labeled "< Back". To its right is the text "Not have an account..?" followed by a button labeled "SignUp". Below these are two text input fields. The first is labeled "UserName:" and the second is labeled "Password:". Below the password field is a button labeled "Login".
